

ABSTRACT OF THE CHILD LABOR LAW

This summary is for general information and is not to be considered in the same light as official statements contained in the Law or its regulations.

MINIMUM AGE: Minors under 14 years of age may not be employed or permitted to work in any occupation, except children employed on farms or in domestic service in private homes. No minor under 14 years of age may be employed on a farm by a person other than the farmer. Under certain restrictions, caddies may be employed at the age of 12, news carriers at 11 years of age, and juvenile performers in the entertainment field at the age of 7. Minors and infants may be in the cast of a motion picture if special permit is obtained.

EMPLOYMENT CERTIFICATES: No person under the age of 18* shall be employed without a general or vacation employment certificate. The employment certificates are issued by school authorities and, except for the transferable work permit, must be kept on file.

Special performance permits are required for minors in theatrical and other performances at ages and hours permitted by Law. Applications may be obtained from the offices listed on the reverse side of this abstract.

A transferable work permit may be issued to 16 and 17 year olds. Obtain these through your local school district. A minor issued a transferable work permit is not required to obtain a new permit or certificate each time he/she changes employers; however, the employer is required to notify the issuing school district in writing within five days when a minor begins or terminates employment. Additionally, the employer must keep detailed records of the minors at the work site. A photocopy of the transferable work permit may be used as a record, provided that the employer records the occupation in which the minor is engaged on such photocopy.

RECORD KEEPING: Employers are required to maintain true and accurate schedules for each minor employed.
