Chariti-BOWL Canada Largest Turnout Ever!

On Saturday November 15, 2014, Trends International held our 5th Annual Chariti-BOWL at Classic Bowl in Mississauga in support of the Trends Cares Foundation's local charities. The evening was a huge success, with our largest turn out ever. Thanks to the efforts of volunteers, attendees and our charities we were able to set a new record, raising **\$16, 211.27!** With Phil matching this total not once, but twice, that brings us to an event total of **\$48,633.81!** Add in the Trends employee voluntary payroll deductions and the match on to that and we are making the Charities supported by Trends Cares very happy!

We have already booked for next year! Please make sure to save the date, as the 6th Annual Chariti-BOWL will take place on Saturday November 14!

Visit www.trendscares.com to view pictures from this year's event (as well as past years), and to learn more about our charities!
